

JS02

MULTI-FUNCTION EASY OPERATION

INTEGRATED THERMAL STRIPPER

CONCEALED FIBER
OPTIC STRIPPER DESIGN

JS02

INTEGRATED THERMAL STRIPPER

- Compatible with a variety of optical fibers.

Quick thermal stripping, removing the coating without leaving traces

Single pass stripping of 32 bare fibers

3-second rapid heat stripping without fiber damage

Overview of JS02

Function introduction	Overall stripping, window stripping and drop cable stripping
Coating stripping length	≤30mm
Heating mode	Power-saving mode, motion mode
Temperature setting	Power saving mode: 65 ° ~ 70 ° / 75 ° ~ 80 ° / 85 ° ~ 90 ° / 95 ° ~ 100 ° Movement patterns: 75 ° ~ 85 ° / 85 ° ~ 95 ° / 95 ° ~ 105 ° / 105 ° ~ 120 °
Fiber fixation method	Universal ribbon clamp
Power supply mode	Dual power supply of 12.6V lithium battery and TYPE-C charging cable
Battery usage information	Continuous heating operation for ≥4 hours
Dimensions	138(L)*45(D)*31(H)mm
Weight	340g (Including battery, excluding clamp)
Environmental requirement	Humidity be less than 85%

Ribbon thermal stripper	JS02	1 Pcs
Adapter	TYPE-C/5V2A	1 Set
Tweezers		1 Pcs
Brush		1 Pcs
Alcohol bottle		1 Pcs
Blow-off bulb		1 Pcs
7-shaped hex wrench		1 Pcs

Optional accessories

JS02 stripping blade	1 Set/Pcs
JS02 cutting blade	1 Set/Pcs
